THE ENDOWMENT

The Manzano Day School General Endowment benefits every family at the school. Endowment funds are held in trust and restricted in perpetuity. Initially funded in the 1990s, the fund has grown to a size that helps, annually to minimize tuition increases and provides financial assistance dollars to families with demonstrated need. The continued growth of the fund is important and a priority for the short- and long-term sustainability it provides. In addition to benefitting today’s finances, future growth ensures greater access to an outstanding elementary education for generations of Albuquerque youth and families to come.

TAX INFO: As a registered 501(c)(3) non-profit organization, donations to Manzano Day School are tax-deductible. Tax ID: 85-0127993. The school’s financial statements are available upon request.
