What is Elementary All State? Every year students submit auditions from all over the state of New Mexico in hopes that they will be chosen to participate in the Youth All State Festival Choirs. The festival is held the last weekend of January in Las Cruces.

What if my child cannot attend the camp? Will they still be able to audition? YES! When school starts, I will post a schedule of practices available for students to attend.

What are the audition pieces? "My Country Tis of Thee" and the "audition" piece which changes every year. "My Country Tis of Thee" must be sung a cappella (without accompaniment) and the "audition" piece will have a recorded track that the student will sing either the soprano or alto part, whichever their voice designation is.
